Dear

STAT

I appreciate your letter of 7 October 1954 in which you express an interest in employment by us upon retirement.

STAT

Frankly, our principal problem in your case is finding a position of sufficient challenge to your exceptional qualifications and experience. The situation is further complicatold you, by our legal limitations in the hiring of longevity retired officers of the Armed Services.

We have made a thorough examination of existing and potential vacancies, but so far nothing suitable has been found.

I deeply appreciate your interest in our erganization and we shall be in touch with you if anything interesting should develop.

Sincerely,

Allen W. Dulle Director
